Season Details:

- First game will be Sept 21st
- We need to be done with the season by the 16th which would be all-star season will have to end by 9th - shoot for u10 and u12 for ending on November 2nd and the rest for the 9th.
- We were done on the 10th of November last season.
- 7 weeks to get in 10 games should be fine.
- Fall break for public school is October 21st through 25th so we will lose the weekends on either end of that.
- Tuesday, Thursday and Saturday games - we agreed to use the rec department scheduling system. Coaches that have two teams will have to help by providing blackout dates based on the schedule for their earlier scheduled team (i.e. if we run the U-6 schedule and a coach has a U-6 and U-10 team, they should provide dates when they already have games for the U-6 as Blackout dates for U-10)
- Open it up so that all age groups can have games any of the three days.

Pre-Season Planning

Coaches

- We had a discussion about requiring coaches to take training.
- We need the coaches and/or a representative at the board meetings.

Referees

- Referees have to recertify? Yes, annually!
 - Recertification has got to be done through Gabby.
 - Myron will work with Gabby to coordinate a recertification and new training over the summer.
- Will James McCue and Rob Sherwood have some meetings with the refs before the season?
- Plan scrimmages where James and Rob watch the refs and critique (full crew) - plan it ahead of season (2 nights 1 hour each). The first couple games will have Rob or James as the side line helping.

- James likes the scrimmage idea (he was pulled on the phone) All kids have to go through at least one scrimmage with James or Rob to center an official game. They will not be compensated for the scrimmage.
- Have James and Rob come to our meeting to express the concerns.

Beginning of Season/End Of Season

- We talked about the idea of doing a kick-off party.
- End of season party (do it fall and spring). We need to do a better job of marketing the party.
- November 9th 12 pm party. Medals for u6 and u8 and winning teams get something for u10 and u14

Finance Report:

- Financials - Keith has not gotten the statement for June Only outstanding is from Georgia soccer spring season He has a list of those refs that still are outstanding.
- Barb needs to send a clean copy of the Spring Season Registrations to Tre for payment
- Approximately in un-cleared checks (mostly ref checks)
 - Probably need to get a note out to the refs to cash their checks.
 - Georgia soccer for Spring

Season Responsibilities

- Tim will do the uniforms for the Fall Season.
- PR/marketing - Tim will contact the u16 parent that he thinks will do a great job.
- Sportography or TSS Photography – Barb will contact for more information.
- Let's do shirts for the coaches grey t-shirts generic with the standard logo, no sponsors listed.
- Have everyone do their own parties at the end of the season if they want to do awards.
- Think about maybe doing a kick-off of the season – maybe another 3 on 3 tourney.
- End of season party (do it both fall and spring). We need to do a better job of marketing the party and trying to get as many teams finishing their season right before the party so that they are already out there.
- For the fall season, we will set November 9th at 12 pm for the end of season party. Medals for u6 and u8 and winning teams get something for u10 and u14.
